'Earnest and winning', 'sincere and passionate' The New York Times book review

Caro Feely and husband Sean gave up city jobs and a cosy home to buy a rundown vineyard in France. Their 'follow your dream' story, told in **Grape Expectations** (ISBN-13: 978-1849532570) is one of laughter, tears, and tenacity as they take on the challenges of French bureaucracy and changing country with two children under three. Caro's second book, **Saving our Skins** (ISBN-13: 978-1849536097) sees the vineyard transform from the brink of failure to thriving organic farm. The third book **Glass Half Full** (ISBN-13: 978-1849539913), continues their journey with biodynamics, natural wines and the ebb and flow of love and life. A standalone book and prequel to the series, **'This Miracle of Life'**, will be released in 2022. The **fourth in the series** will be released in 2023.
